

## Wendy Noyes, Manager

Wendy has been a member of the Warrenstreet team since October 2001. She provides complete administrative and financial oversight for the firm. Her specific responsibilities include billing, accounts receivable and accounts payable, as well as the human resource needs for all of our employees.

Wendy contributes to the coordination of proposals, trade shows, mailings along with all aspects of the firms marketing efforts. Wendy has become a key member of our team, establishing relationships with all of our clients early, reinforcing open and positive communications for each of our projects. She is a founding owner-member of the Cooperative.
